

ClassNK e-Certificate ME PRODUCT User's Guide

Ver. 1.0

1. Introduce

Starting

- No registration is required for this service. You can check the validity with the Tracking ID or QR code written on the electronic certificates.

What kinds of certificates?

- This applies to electronic certificates issued by the following services.
 - ClassNK e-Product: Electronic certificates

When to receive this service?

Electronic certificates will be applied for each certificate issued on and after July 2022.

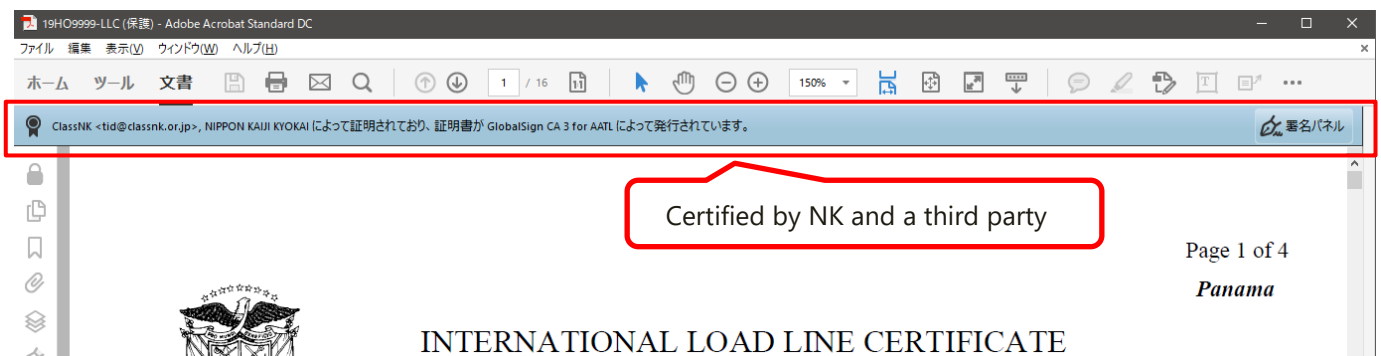

2. What is Electronic Certificate?

Issuing electronic certificate

- It is necessary to use "e-Product" of our service for issuance. Please check the ClassNK website before applying for the service
 - [e-Product | ClassNK - English](https://www.classnk.or.jp/hp/en/activities/portal/e_product.html)
https://www.classnk.or.jp/hp/en/activities/portal/e_product.html

What is Digital Signature?

- "Digital Signature" is added and issued electronically.
The digital signature prevents tampering by proving that the electronic file has not been altered.
- Adobe Acrobat Reader DC or later versions are recommended to display the digital signature accurately.
The digital signature is displayed only when it is opened on a PC and is not displayed when it is opened on a mobile device such as a smartphone or tablet.

3. How to check the validity of electronic certificates

1. Click the link below for e-Certificate Verification or enter from the ClassNK website.

(<https://e-document.classnk.or.jp/DOCF00010.aspx?dT=1>)

The screenshot shows the ClassNK website homepage. At the top, there is a navigation bar with the ClassNK logo and the tagline 'CHARTING THE FUTURE'. Below the navigation bar, there is a main banner with the text 'Innovative Initiatives' and 'Innovation Endorsement' certification encouraging innovative initiatives and their utilization. The main content area is divided into several sections: 'See and Learn', 'Find Out', and 'Download / Order'. The 'Quick Links' menu on the right side includes 'Register of Ships', 'Rules & Guidance', 'Comprehensive Revision of Part C of the NK Rules', 'Technical Information', 'ClassNK Technical Journal', 'Management Systems', 'ClassNK Renewable Energy', 'Port State Control', 'Ballast Water Management Convention', 'EEXI', 'e-Certificate Verification', and 'Recruitment'. The 'e-Certificate Verification' link is highlighted with a red box and a red arrow pointing to it.

2. Select the certificate for which you want to check the validity

The screenshot shows the ClassNK e-Certificate Verification page. The page has a blue header with the ClassNK logo and the text 'e-Certificate Verification'. Below the header, there are two buttons: 'SHIP / COMPANY(ISM)' and 'ME PRODUCT'. The 'ME PRODUCT' button is highlighted with a red box and a red arrow pointing to it. Below the 'SHIP / COMPANY(ISM)' button, the text 'Class, Statutory Certificate' is displayed. Below the 'ME PRODUCT' button, the text 'Material, Equipment, Machinery, etc.' is displayed.

3. Enter the "Certificate No." or "Tracking ID" on the verification site and click "Verify".

* Tracking ID is the document displayed at the bottom of each page

This Document is issued subject to the condition that it is understood and agreed that neither the Society nor any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by this Society or its Surveyors or in any entry in the Record or other publication of the Society or for any error of judgment, default or negligence of its Officers, Surveyors or Agents.
